You may recall last spring you expressed a desire to bring  back to the United States and possibly establish some sort of rotation schedule for the  drivers to act as the IP at . Whether or not such a rotation is feasible has never been concluded, however, I would like to point out that time is fast approaching for  to complete one year over there, and, I am sure, he is particularly interested in what his next move will be or whether or not he will remain at . I suggest that we inform Bob of our plans for him. In all fairness I think you should consider strongly assigning him to .
